SCHEDULE C

DID Service and Prices

General

Delivery of any Service described in this Schedule is subject to the signing of the ISP Telecom Inc. Master Services Agreement between the Customer and ISP Telecom Inc. The terms and conditions of the Master Services Agreement shall govern the relationship of the parties and the execution of this Schedule shall be conclusive evidence of acceptance of those terms and conditions.

Service Description

DID or “Direct Inward Dial” is a telephone number routable on the PSTN according to NANP guidelines. Customers may chose to purchase one or more DIDs with a PSTN service (PRI TDM or PRI SIP) from an available block of DIDs from ISP Telecom. DIDs do not provide any advanced features such as 411, Directory Services, 911, call forwarding, collect calling. Other services such as FAX 800, 877, 888, 976, or 900 services may not be available or not operate.

Standard Pricing

Service Name	NRC	MRC
DID in ISP Telecom On-Net range: Minimum order size: 10 DID per Circuit *	\$0	\$2.00
*Orders of less than 10 DIDs at a time will have a \$60 service charge		
DID in ISP Telecom Off-Net range: Minimum order size: 10 DIDs per Rate Centre	\$0	\$2.00

Orders will be accepted at telco-orders@isptelecom.net from authorized email addresses and should specify the Master Services Agreement number, the Schedule, the quantity, and any further details required from time to time to successfully process your order.
